

And There You Glow

Eye Lift Serum

The eye lift serum is an oil free liquid. A fine line complex with peptides has been added for the further effect of diminishing fine lines and wrinkles. You will notice the firmness and toning of the eye area after 2-4 months of use and sometimes quicker with the twice daily application. Promotes the elimination of blood originating pigments from under the eyes (dark circles under the eyes). Does not clog pores around the eyes thus eliminating any melia (little white bumps filled with heavy moisturizers) from other creams. Your body will absorb these deposits after treatment with the eye serum.

Directions: Apply a pea size amount with a spatula to the tip of your index fingers. Gently apply around the eye area, keeping away from the eyelid. Allow drying time before applying make-up.

Ingredients: De-Ionized Water, Aloe Barbadensis (Aloe Leaf) Gel, Vegetable Glycerine, Cucumis Sativus (Cucumber) Fruit Extract, Chrysin, Palmitoyl Oligopeptide, N-Hydroxysuccinimide, Palmitoyl Pentapeptide-3, Steareth-20, Polysorbate-20, Carbomer, DMDM Hydantoin, EDTA.
